1 Landing Page

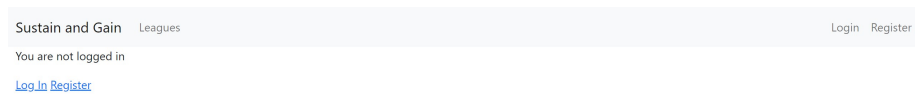

Figure 1: Landing Page signed out

From the landing page you are able to view public leagues and have the option to register a new account or log into an existing account.

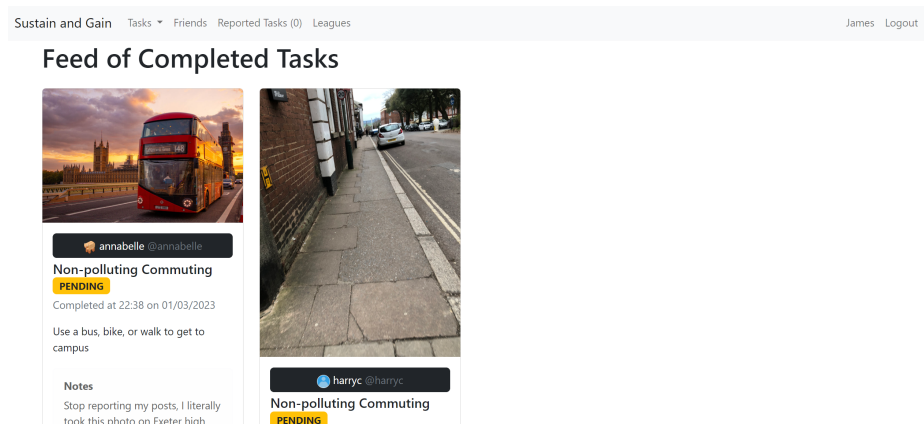

Figure 2: Landing Page signed in

When you are signed in you are able to see the feed of completed tasks that either you have done or that accounts on your friends list have done.

2 Registration Page

The screenshot shows a web registration page. At the top, there is a header bar with the text "Sustain and Gain" on the left and "Leagues" in the center. On the right side of the header, there are links for "Login" and "Register". Below the header, the main heading is "Register". Underneath this, there is a link that says "Already have an account? [Login](#)". The form consists of four input fields: "Username", "Email", "Password", and "Password confirmation". The "Username" field has a small text below it stating "Required. 150 characters or fewer. Letters, digits and @/./+/-/_ only." The "Email" field has a small text below it stating "Required." The "Password" field has a small text below it stating "Required." and a list of password requirements: "Your password can't be too similar to your other personal information.", "Your password must contain at least 8 characters.", "Your password can't be a commonly used password.", and "Your password can't be entirely numeric." The "Password confirmation" field has a small text below it stating "Enter the same password as before, for verification." At the bottom of the form, there is a blue button labeled "Register".

Figure 3: Registration Page

From the registration page you are presented with four different fields. One is to input your desired username, email address, password and confirm password. If the user enters a username which is already taken then you won't be able to register an account with that username. Additionally, if the password doesn't meet the password requirements then the user will need to make it more secure.

3 Login Page

The screenshot shows a web page with a light gray header. On the left, it says "Sustain and Gain" followed by "Leagues" with a small right-pointing arrow. On the right, there are links for "Login" and "Register". Below the header, the word "Login" is displayed in a bold, black font. Underneath, a line of text reads "Don't have an account yet? [Register](#)". There are two input fields: the first is labeled "Username" and contains the text "James"; the second is labeled "Password" and contains a series of dots. A blue button with the word "Login" in white text is positioned below the password field.

Figure 4: Login Page

From the login page you will be able to log into an existing account using your username and password. You are also given a hyperlink to the registration page.

Figure 5: Profile Page

From the profile page you are able to see your profile picture, username, bio, friends and points. From here you can also click on your friends names and see their profile.

5 Update Profile Page

The screenshot displays the 'Update Profile' form. It features four main input sections: 'First name' and 'Last name' are single-line text boxes; 'Image' is a file upload area with a 'Choose file' button and a 'No file chosen' status; 'Bio' is a large multi-line text area. Below the 'Bio' field is a blue 'Update' button. A small text label 'Currently: [profile_pics/default.jpg](#)' is positioned between the 'Image' and 'Bio' sections.

Figure 6: Update Profile Page

From the profile update page you are able to change your profile picture by uploading an image from your device. You are also able to update your bio and add a forename and surname.

6 Other People's Profile Pages

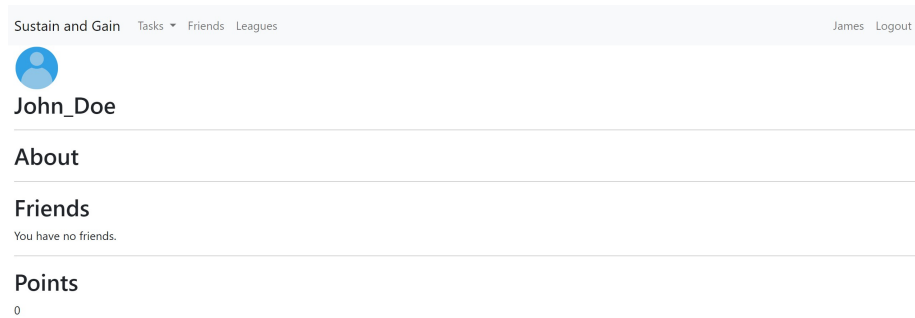

Figure 7: Other People's Profile Pages

You are also able to view other peoples profiles. From here you are able to see their information.

7 Leagues Page

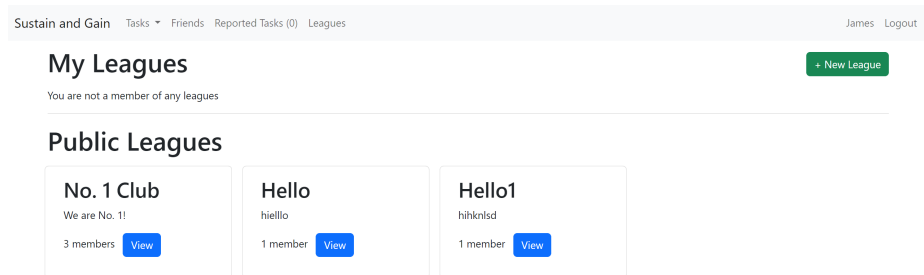

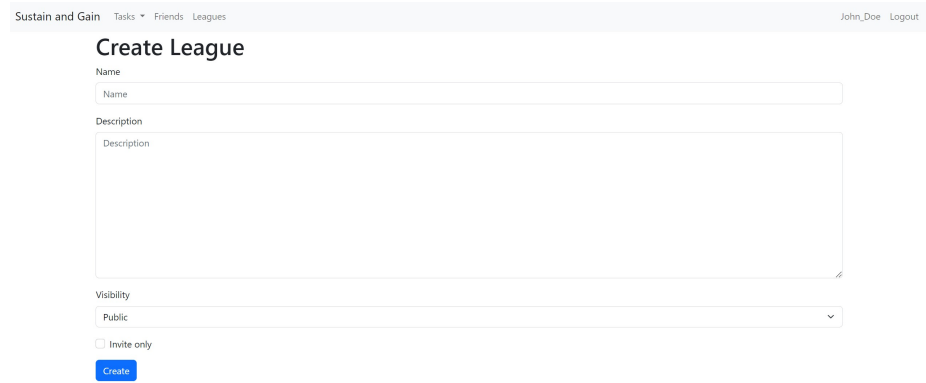

Figure 8: Other People's Profile Pages

From the leagues page you are able to see the leagues you are apart of and also any other public leagues.

From this page you can also create a new league.

8 Creating a new league page

The screenshot shows a web application interface for creating a new league. At the top, there is a navigation bar with the text "Sustain and Gain" on the left and "Tasks Friends Leagues" in the center. On the right side of the navigation bar, the user's name "John_Doe" and a "Logout" link are displayed. Below the navigation bar, the main heading "Create League" is centered. The form consists of several fields: a "Name" field with a text input, a "Description" field with a larger text area, and a "Visibility" field with a dropdown menu. The "Visibility" dropdown is currently set to "Public". Below the "Visibility" field, there is a checkbox labeled "Invite only" which is currently unchecked. At the bottom of the form, there is a blue "Create" button.

Figure 9: Creating a new league page

When creating a new league you can specify the following:

- Name
- Description
- Visibility
- Invite Only

If the League isn't specified as invite only then people will just be able to join without any authentication by the league admin

Figure 10: League Leader board

You are able to view the leader board within the league so that you can compete with others in the same league.

10 My Tasks Page

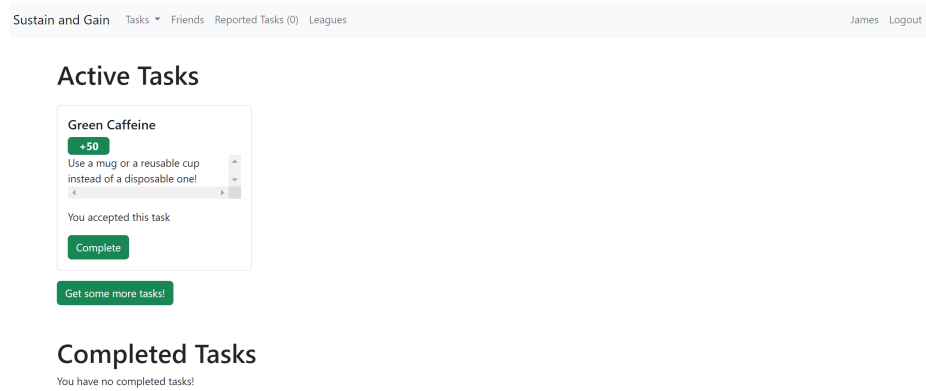

Figure 11: My Tasks Page

From the my tasks page you are able to see your active tasks and completed tasks.

11 Available Task Page

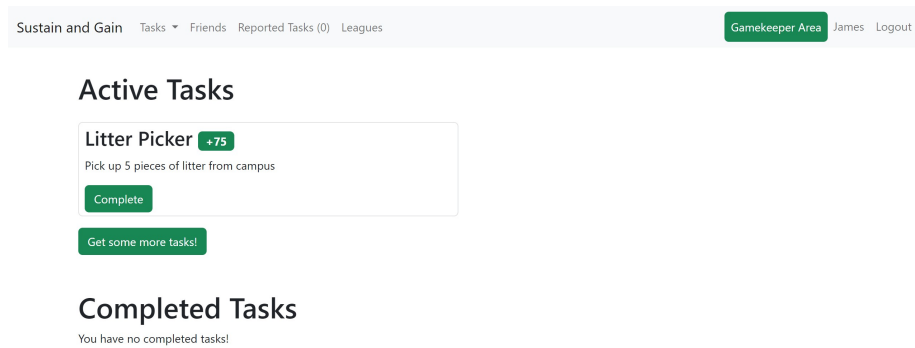

Figure 12: Available Task Page

From this page you will be able to see the tasks that you have available that you can select and have added to your "My Tasks" page.

12 Game Keeper Page

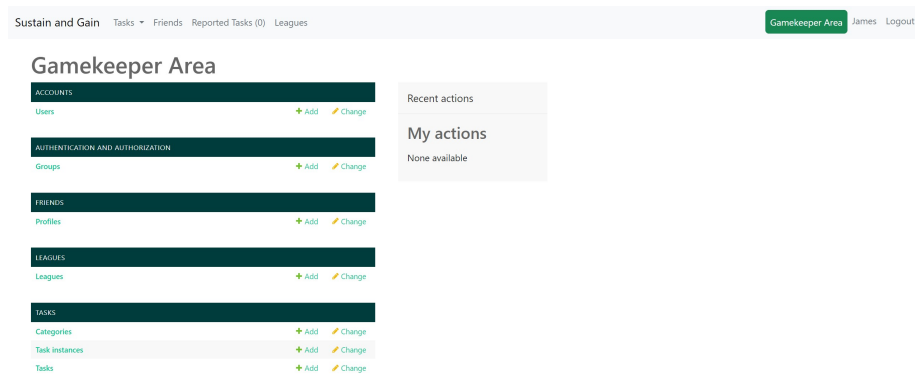

Figure 13: Game Keeper Page

From the game keeper page, game keepers are able to approve and deny tasks so that no cheating can occur. The game keepers also have the ability to create new tasks and delete existing ones.

13 Reported Tasks Page

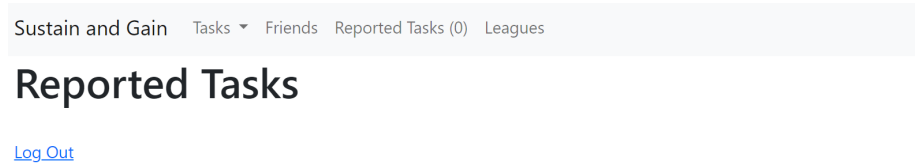

Figure 14: Reported Task Feed

Staff have access to the reported tasks page which will give them the option to either approve a task or deny it.
